Dear Chairwoman Granger and Ranking Member DeLauro:

I respectfully request funding for the City of Middletown's Water Project. The entity to receive funding for this project is the City of Middletown, located at 16 James Street, Middletown, NY, 10940. The City of Middletown is undertaking this project to replace a water main system to facilitate compliance with national Clean Water Act regulations. This project is an appropriate use of taxpayer funds because it helps to maintain Clean Water Act standards.

The project has a federal nexus because the funding provided is for purposes authorized by the Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Patrick K. Ryan  
Member of Congress
